“For a family bonding experience that is plush yet secluded”

↑ A HEALING SPA

At Roseate's properties in India and the UK, guests are able to pamper themselves at the Aheli Spa. Named for the Sanskrit word for pure or the Hebrew embodiment of purity, grace and elegance—the spa offers personalised treatments and an atmosphere that relaxes. New Delhi's Aheli Spa offers spacious treatment rooms (each with its own balcony that offers views overlooking the city) for treatments that revive, relieve and rejuvenate. Recommended is the Aheli Signature, a 90-minute treatment that uses a variety of massage types to soothe and pamper. At the property in Reading, UK you'll find treatments that detoxify and cleanse in their three treatment rooms at the historic British townhouse. (www.roseatehotels.com)

→ INTO THE WILD

For a family bonding experience that is plush yet secluded, plan a getaway to SUJÁN Jawai, where the two-bedroom suite makes the perfect base. The camp itself is in the midst of Rajasthan's leopard country, so draft the kids into the property's junior rangers programme to learn more about the flora and fauna of the region. For adults, there's the wellness tent and the opportunity to disconnect from city life. (www.sujan.com/jawai/)
