The Best Honeymoons for Every Budget and Style

You know if you want an outdoorsy, beach, or city honeymoon. But finding the best place honeymoon for your budget can take some next-level sleuthing. So we did it for you— whether you aim to splurge, stretch, or save, here are the best honeymoon ideas for every budget, and style.

City

Splurge Everyone does Venice or Florence—for good reason!— but your honeymoon is one of the few times you can take two weeks off work, so go somewhere a little farther away—like Jaipur, India. Stay at [Suján Rajmahal Palace](#): It's the Jaipur royal family's palace turned hotel, and exquisitely over-the-top with a carved marble staircase, peacock-blue velvet sofas, and loads of wildly patterned wallpapers. Shop for jewelry at Gem Palace and for shawls at Satayam, and don't miss dinner at [Bar Palladio](#).

Stretch

The [Parisian honeymoon](#) doesn't have to mean a four-figure-a-night hotel with lines just to get a drink at the bar. The new [Brach Hotel](#) in the 16th arrondissement has all the Parisian style but none of the 'tude. Designed by Philippe Starck, rooms have floor-to-ceiling windows and an haute groovy vibe. There's a restaurant, cocktail bar, patisserie, gym, spa, and (ooh là là) pool. If it were anywhere but Paris, you might not leave all day.

Save

For the sheer number of restaurants you want to hit and sights you actually want to see, [Barcelona](#) is a no-brainer. After a day packed with Gaudís and tapas, the cool and distinctly [Catalan Soho House Barcelona](#)—with its barrel-vaulted ceilings and pops of gold and blue—is exactly where you want to end up.
