29/11/2020

*The final day of **India's Best Awards 2020** celebrations are reserved for leaders across select categories, all of whom have been handpicked by **Travel + Leisure India & South Asia's** editor-in-chief, **Aindrila Mitra**. This category is especially significant because these winners are truly industry thought-leaders and deserve a special mention for their efforts and above-par excellence—serving as an apt way to round up our week-long celebrations.*

Best Boutique Hotel in India

SUJÁN JAWAI, Rajasthan

For the **SUJÁN** family, preserving, protecting, and restoring Indian wilderness as well as cultural heritage are of paramount importance. With just 10 tented Family and Royal suites that reflect the responsible ethos, SUJÁN JAWAI sits amongst billion-year-old granite rock formations in Jawai Bandh (located in the Pali district of Rajasthan), where leopards roam free and coexist peacefully with the local communities. The boutique camp celebrates the great outdoors with panache. You can also wander with the Rabari tribesmen and indulge in various conservation and community projects.
