### 4. Romance in Rajasthan

Deserts, maharajas' palaces, tigers and hilltop forts: if there is one region that encapsulates the romance of India, it's Rajasthan. This 11-night private tour includes stays at Amanbagh and Sariska Wildlife Sanctuary, where you can spot tigers, as well as Nagaur fort, which is owned by the Maharajah of Jodhpur. There's also a trip to the Mehrangarh fort, leopard spotting at the Sujan Jawai Camp and a stay at Raas Devigarh, in Udaipur, where you can have ayurvedic spa treatments before alfresco feasts under the moonlight.
