## VENUES

### Destination 'I DO'

Gorgeous wedding venues worth crossing oceans for

#### FOUR SEASONS BALI AT JIMBARAN BAY

The Bali branch of the Four Seasons is one of the dreamiest venues we've seen; not just because of its pretty Pool Terrace (right) that's the perfect spot for a reception dinner under the Milky Way, but also because you can say 'I Do' on a private garden island on the resort. Gili Jimbaran offers jaw-dropping 180° Indian Ocean and Bay views, a thatched-roof gazebo, a private sandy cove and has space for 30 guests. Need more room? Japun Sari Pavilion can host 200.

#### TAJ LAKE PALACE, UDAIPUR

A Royal Indian wedding venue doesn't get more authentic than this. Built in 1746, Taj's Lake Palace in Udaipur is one of the most romantic wedding venues in India. Choose from three venue spaces, two of them outdoors to capitalise on the incredible views of the Aravalli mountains beyond the shores of Lake Pichola, on which Lake Palace is perched. The white marble resort is breathtaking; think elegant fountains, soaring archways and general regal splendour at every corner. • [www.Taj.TajHotels.com](http://www.Taj.TajHotels.com)
